Poetic Therapy Henry Miller 2021-03-26 I have gone through some ruff and crazy times in my life. I have traveled the word and experienced different things in my life. From being raised by a pimp and drug dealer to having a great job and losing it to not having a place of my own to lay my head. But through perseverance I have made it through the fire and came out blessed by God! At a young age, I guess some would call it a gift, but I have always had the gift of poetry. And thank God, he found something in me to be able to share with the world. And from some awesome minister's in my life from the late Rev Wooten, Rev King, Bishop Andrew Ford and last but not least Pastor Niki Hampton and my BMF Pastor Mark Hampton I have been able to stay the course and maintain the spiritual foundation from some of the pastors mention above. So now I would just like to share some of the poems and thoughts in this book with the world. I feel that poetry has helped me throughout my life with some things that should have had me laying on a leather couch talking to a doctor. But God is great, and he is my psychiatrist, and my writing helps me through when I need an outlet. So, I hope that when reading this book, it might help you one day, and you can pass it on to someone. Some of the poems are just what I like to think are good reads but others I hope are therapy for others. God Bless you and please pass on the words of encouragement in the book. Thank You!

More Myself Alicia Keys 2020-03-31 An intimate, revealing look at one artist's journey from self-censorship to full expression As one of the most celebrated musicians in the world, Alicia Keys has enraptured the globe with her heartfelt lyrics, extraordinary vocal range, and soul-stirring piano compositions. Yet away from the spotlight, Alicia has grappled with private heartache—over the challenging and complex relationship with her father, the people-pleasing nature that characterized her early career, the loss of privacy surrounding her romantic relationships, and the oppressive expectations of female perfection. Since Alicia rose to fame, her public persona has belied a deep personal truth: she has spent years not fully recognizing or honoring her own worth. After withholding parts of herself for so long, she is at last exploring the questions that live at the heart of her story: Who am I, really? And once I discover that truth, how can I become brave enough to embrace it? More Myself is part autobiography, part narrative documentary. Alicia's journey is revealed not only through her own candid recounting, but also through vivid recollections from those who have walked alongside her. The result is a 360-degree perspective on Alicia's path, from her girlhood in Hell's Kitchen and Harlem to the process of growth and self-discovery that we all must navigate. In More Myself, Alicia shares her quest for truth—about herself, her past, and her shift from sacrificing her spirit to celebrating her worth. With the raw honesty that epitomizes Alicia's artistry, More Myself is at once a riveting account and a clarion call to readers: to define themselves in a world that rarely encourages a true and unique identity.

Excerpt: "Empire State of Mind" is a song by American rapper and hip hop artist Jay-Z, featuring vocals and a chorus from R&B and soul singer Alicia Keys. It was released as the third single from Jay-Z's 11th studio album The Blueprint 3 (2009) by his Roc Nation label in October 2009. The song is an anthemic ode to both artists' native New York, and features a music sample of "Love on a Two-Way Street" (1970) by The Moments. "Empire State of Mind" was originally written by Brooklyn natives Angela Hunte and Jane't "Jnay" Sewell-Uleplic who were feeling homesick while on an overseas trip in February 2009. The following month they sent the song in for consideration at Roc Nation, although it received negative reviews. Initially discouraged, the duo sent the song to Jay-Z after a suggestion by an associate of EMI Music Publishing (EMI), and after an incident which they described as an omen. After hearing the song Jay-Z immediately recorded it, changing all of the verses but keeping the hook. The single was supposed to feature Hunte on the song's hook, but when Hunte and Sewell-Uleplic were asked if they thought someone else would be more appropriate for the chorus Hunte suggested Keys. Mary J. Blige was also considered for

the part, but Keys was chosen after Jay-Z heard the song's piano loop. The song was viewed as being an "orchestral rap ballad" and has pop-rap musical styles. It contains...

Unplugged Alicia Keys With MTV's decision to revive its much-missed "Unplugged" series came a certain obligation: Whoever was going to kick the shows off needed to have the means to deliver serious heat, Grammy-vote garnering heat. The "powers that be" couldn't have chosen better than Alicia Keys. Throughout this consistent set, marked by warmth, sincerity and a powerful lack of inhibition, Keys convinces that if she's not the new Aretha Franklin, she's a force of equal might and measure. All the favorites are here, the danceable "Karma" carries into the funky "Heartburn" and the give-it-up glory of "Unbreakable." "Fallin'," "If I Ain't Got You," and "You Don't Know My Name" come later, but interspersed are enough pleasant surprises to make even fanatical Keys followers forget the signature songs. Prince's "How Come You Don't Call Me," for instance, gets a playful work-up, complete with audience-aimed banter and an unbroken promise to "take it to the bridge," and a duet that on paper seems misguided works surprisingly well, as Keys resists any instinct to clobber Maroon 5's Adam Levine vocally. Yowling, piano pounding, hip-hop tics (the ubiquitous, emphatic "unh"), and even a spot of theatrical poetry all have their places here, but Keys manages them with a master's sense of what's song-appropriate. Her band is spot-on, her arrangements soar, and her guests--count Mos Def and Common among them--complement the proceedings without even momentarily carrying them. The best "Unplugged" discs leave a listener wishing artists would kick the amps altogether; this is one of them.

The Leavers (National Book Award Finalist) Lisa Ko 2018-04-24 FINALIST FOR THE 2017 NATIONAL BOOK AWARD FOR FICTION Named a Best Book of 2017 by NPR, Entertainment Weekly, the Los Angeles Times, BuzzFeed, Bustle, and Electric Literature "There was a time I would have called Lisa Ko's novel beautifully written, ambitious, and moving, and all of that is true, but it's more than that now: if you want to understand a forgotten and essential part of the world we live in, The Leavers is required reading." —Ann Patchett, author of Commonwealth Lisa Ko's powerful debut, The Leavers, is the winner of the 2016 PEN/Bellwether Prize for Fiction, awarded by Barbara Kingsolver for a novel that addresses issues of social justice. One morning, Deming Guo's mother, Polly, an undocumented Chinese immigrant, goes to her job at a nail salon—and never comes home. No one can find any trace of her. With his mother gone, eleven-year-old Deming is left mystified and bereft. Eventually adopted by a pair of well-meaning white professors, Deming is moved from the Bronx to a small town upstate and renamed Daniel Wilkinson. But far from all he's ever known, Daniel struggles to reconcile his adoptive parents' desire that he assimilate with his memories of his mother and the community he left behind. Told from the perspective of both Daniel—as he grows into a directionless young man—and Polly, Ko's novel gives us one of fiction's most singular mothers. Loving and selfish, determined and frightened, Polly is forced to make one heartwrenching choice after another. Set in New York and China, The Leavers is a vivid examination of borders and belonging. It's a moving story of how a boy comes into his own when everything he loves is taken away, and how a mother learns to live with the mistakes of the past.
