Legal Aspects of Business Daniel Albuquerque 2017-10-19 The second edition of Legal Aspects of Business: Texts, Jurisprudence, and Cases is a comprehensive textbook designed especially for postgraduate students of business management. It presents a complete, all inclusive jurisprudence and supplements the concepts with numerous cases, exercises, and profiles of legal luminaries. The book is divided into six parts. Part I introduces the reader to Business Jurisprudence. As the contract law is foundation to all business laws, Part II, Commercial Jurisprudence, on Mercantile Law discusses the Indian Contract Act, 1872 and its features at length. The Sale of Goods Act, 1930, the Negotiable Instrument Act, 1881, The Indian Partnership Act, 1932, the Companies Act, 2013, and the Competition Act, 2002 are also covered in depth. Part III, Financial Jurisprudence, covers the laws related to finance and banking at length. Part IV, Labour and Industrial Jurisprudence, covers the laws related to wages, workers' social security, and industrial relations. Part V, Aspects of New Economy and Jurisprudence, throws light on laws related to information and communication, intellectual property rights, and environment protection. Part VI, Judicial and Social Jurisprudence, is devoted to business and criminal liability and basic rights and business. The book also offers valuable insights to practitioners to arrive at legally sound decisions in various business situations.

Mercantile Law, 8th Edition M.C. Kuchhal & Vivek Kuchhall Mercantile Law explains the fundamental principles of the basic laws governing the modern business world. It presents a comprehensive, systematic and coherent study of the laws relating to Contracts, Sale of Goods, Partnership, Negotiable Instruments, Information Technology, Consumer Protection, Insurance, Insolvency, and Arbitration and Conciliation. It discusses the statutory provisions and the intricacies of law and explains the logic behind them. A large number of decided cases and illustrations given in the text explain the practical implications of the law. Practical problems with hints and solutions have been given at the end of each chapter for the student's self-assessment. The book remains the leading text for students preparing for BCom, MCom, CA, ICMA, MBA, Company Secretaries, IAS, banking and judicial services examinations. It also serves as a handy and compact volume for those engaged in business, young managers and all others interested in the study of business law.

UGC NET/SET DIGEST Dr. Aasim Mir 2018-06-15 This book is one among the most relevant fields for research and study for students, scholars as well as other researchers. This book is one such initiative that is equipped with MCQ's on Human Resource Management and surely will help the learners up to greater extent in getting latest knowledge and qualifying competitive examinations. The book has been written with one prime objective of providing comprehensive knowledge to those students who are eager to qualify UGC NET/SET/SLET and want to join the prestigious teaching profession.

Fundamentals of Mathematical Statistics S.C. Gupta 2020-09-10 Knowledge updating is a never-ending process and so should be the revision of an effective textbook. The book originally written fifty years ago has, during the intervening period, been revised and reprinted several times. The authors have, however, been thinking, for the last few years that the book needed not only a thorough revision but rather a substantial rewriting. They now take great pleasure in presenting to the readers the twelfth, thoroughly revised and enlarged, Golden Jubilee edition of the book. The subject-matter in the entire book has been re-written in the light of numerous criticisms and suggestions received from the users of the earlier editions in India and abroad. The basis of this revision has been the emergence of new literature on the subject, the constructive feedback from students and teaching fraternity, as well as those changes that have been made in the syllabi and/or the pattern of examination papers of numerous universities. Knowledge updating is a never-ending process and so should be the revision of an effective textbook. Financial Accounting Dr. M.P. Gupta 2022-07-26 The present book aims to meet in full measure the requirement of B.Com students opting for Financial Accounting as a textbook. The objective of the textbook is the basic treatment of the main principles of Financial Accounting. The standard set for the book is complete clarity for beginners and simplicity of exposition to make the text practically the best one.

Business Sustainability Factors of Performance, Risk, and Disclosure Zabiollah Rezaee 2021-03-08 Business Sustainability Factors of Performance, Risk, and Disclosure examines sustainability factors of performance, risk and disclosure. The five dimensions of sustainability performance are economic, governance, social, ethical, and environmental (EGSEE). Business sustainability is advancing from the greenwashing and branding to, very recently, business imperative as shareholders demand, regulators require, and companies report their sustainability performance. Sustainability has become economic and strategic imperative with potential to create opportunities and risks for businesses. Business Sustainability Factors of Performance, Risk, and Disclosure examines sustainability factors of performance, risk and disclosure. The five dimensions of sustainability performance are economic, governance, social, ethical, and environmental (EGSEE). Sustainability risks are reputational, strategic, operational, compliance, and financial (RSOCF). Sustainability disclosures are relevant to financial economic sustainability performance (ESP) and non-financial environmental, social, and governance (ESG) sustainability performance with ethics are integrated into all other components of sustainability performance. This book offers guidance for proper measurement, recognition, and reporting of all five EGSEE dimensions of sustainability performance. It also highlights how people, business, and resources collaborate in a business sustainability and accountability model in creating shared value for all stakeholders. The three sustainability factors of performance, risk and disclosure are driven from the stakeholder primacy concept with the mission of profit-with-purpose. Anyone who is involved with business sustainability and corporate governance, the financial reporting process, investment decisions, legal and financial advising, and audit functions will benefit from this book.

Remedies for Breach of Contract Mindy Chen-Wishart 2016-02-12 Studies in the Contract Laws of Asia provides an authoritative account of the contract law regimes of selected Asian jurisdictions, including the major centres of commerce where until now, limited critical commentaries have been available in the English language. In this new six part series of scholarly essays from leading scholars and commentators, each volume will offer an insider's perspective into specific areas of contract law, including: remedies, formation, parties, contents, vitiating factors, change of circumstances, illegality, and public policy, and will explore how these diverse jurisdictions address common problems encountered in contractual disputes. Concluding each volume will be a closing discussion of the convergences and divergences throughout each across the jurisdictions, and comparisons with European jurisdictions from which Asians well as an overview of the common themes found throughout each jurisdiction .contract law derive. Volume I of this series examines the remedies for breach of contract in the laws of China, India, Japan, Korea, Taiwan, Singapore, Malaysia, Hong Kong, Korea, and Thailand. Specifically, it addresses the readiness of each legal system in their action to insist that parties perform their obligations; the methods of enforcing the parties' agreed remedies for breach; and the ways in which monetary compensation are awarded. Each jurisdiction is discussed over two chapters; the first chapter will examine the performance remedies and agreed remedies, while the second explores the monetary remedies. A concluding chapter offers a comparative overview.

Business Law N.D. Kapoor 2020-12-01 The Seventh Revised Edition of "Business Law" as per Tamil Nadu University syllabus for all BBA, B.Com. students. The new edition, like its predecessors, attempts to present the basic principles of Law in a way that makes the subject easily intelligible even to a non-specialist. Secrets of Sand Hill Road Scott Kupor 2019-06-04 A Wall Street Journal Bestseller! What are venture capitalists saying about your startup behind closed doors? And what can you do to influence that conversation? If Silicon Valley is the greatest wealth-generating machine in the world, Sand Hill Road is its humming eye. That's where you'll find the biggest names in venture capital, including famed VC firm Andreessen Horowitz, where lawyer-turned-entrepreneur-turned-VC Scott Kupor serves as managing partner. Whether you're trying to get a new company off the ground or scale an existing business to the next level, you need to understand how VCs think. In Secrets of Sand Hill Road, Kupor explains exactly how VCs decide where and how much to invest, and how entrepreneurs can get the best possible deal and make the most of their relationships with VCs. Kupor explains, for instance: • Why most VCs typically invest in only one startup in a given business category. • Why the skill you need most when raising venture capital is the ability to tell a compelling story. • How to handle a "down round," when startups have to raise funds at a lower valuation than in the previous round. • What to do when VCs get too entangled in the day-to-day operations of the business. • Why you need to build relationships with potential acquirers long before you decide to sell. Filled with Kupor's firsthand experiences, insider advice, and practical takeaways, Secrets of Sand Hill Road is the guide every entrepreneur needs to turn their startup into the next unicorn.

Business Law (Madras) Kapoor ND 2020-01-01 This is the seventh edition of Business Law as per CBCS syllabus of Madras University for B.Com (Hons.) Semester IIIrd and B.Com, Corporate Secretary ship Semester Vth Student This book has been divided into 2 Parts – Part-1 is General Principles of Law of Contract & Part- 2 is Special Contracts. The chief aim in writing this book is to present the fundamental principles of Business Law, in a simple and easily intelligible manner. The intricate points of law have been illustrated by examples, and the subject has been dealt with by topics rather than in the strict order of section in the various Act.

Elements Of Mercantile Law N. D. Kapoor 1983

Women, Business and the Law 2021 World Bank 2021-04-05 Women, Business and the Law 2021 is the seventh in a series of annual studies measuring the laws and regulations that affect women's economic opportunity in 190 economies. The project presents eight indicators structured around women's interactions with the law as they move through their lives and careers: Mobility, Workplace, Pay, Marriage, Parenthood, Entrepreneurship, Assets, and Pension. This year's report updates all indicators as of October 1, 2020 and builds evidence of the links between legal gender equality and women's economic inclusion. By examining the economic decisions women make throughout their working lives, as well as the pace of reform over the past 50 years, Women, Business and the Law 2021 makes an important contribution to research and policy discussions about the state of women's economic empowerment. Prepared during a global pandemic that threatens progress toward gender equality, this edition also includes important findings on government responses to COVID-19 and pilot research related to childcare and women's access to justice.

BUSINESS LAW PEDDINA MOHANA RAO 2013-03-04 This student-friendly text on Business Law discusses in detail different laws and Acts relating to business, commerce, trade and industry. Divided into six parts, Part I, The Indian Contract Act, 1872 discusses topics such as agreement and contract, offer and acceptance, and consideration. Part II, The Sale of Goods Act, 1930 deals with formation of contract of sale, conditions and warranties, and performance of contract of sale. Part III, The Indian Partnership Act, 1932 explains the nature of partnership and registration and dissolution of a firm. Part IV, The Negotiable Instruments Act, 1881 describes parties to negotiable instruments, presentation of negotiable instruments, and so on. Part V, The Indian Companies Act, 1956 discusses the formation and incorporation of a company and appointment of directors and their legal position. Part VI, General Acts, gives an overview of The Consumer Protection Act, 1986 and The Foreign Exchange Management Act, 2000. The book is intended as a text for the undergraduate students of commerce and postgraduate students of management. Besides, students pursuing professional courses such as CA, ICWA and CS and those appearing for Judicial Services examination will also find the book quite useful. Key Features Cites examples, wherever necessary, to clarify the implication of the law. Illustrates concepts with the help of worked out examples. Furnishes a Glossary on the legal terms used. Cites case laws to make the concepts clear. Supplements the text with pedagogical features such as bird's-eye view to make the book more practical and easy to understand.

The Hard Sell Evan Hughes 2022-01-18 The inside story of a band of entrepreneurial upstarts who made millions selling painkillers—until their scheme unraveled, putting them at the center of a landmark criminal trial. "A fast-paced and maddening account.... Until I read The Hard Sell, about the outrageous behavior of an obscure drug company, I hadn't appreciated the full extent of the filth or the dark stain the opioid sector has left on the entire industry.... What's most surprising and powerful about The Hard Sell is not one company's criminality—we've grown inured to corporations behaving badly—as much as how institutionalized these practices were across the modern drug industry." —New York Times Book Review John Kapoor had already amassed a small fortune in pharmaceuticals when he founded Insys Therapeutics. It was the early 2000s, a boom time for painkillers, and he developed a novel formulation of fentanyl, the most potent opioid on the market. Kapoor, a brilliant immigrant scientist with relentless business instincts, was eager to make the most of his innovation. He gathered around him an ambitious group of young lieutenants. His head of sales—an unstable and unmanageable leader, but a genius of persuasion—built a team willing to pull every lever to close a sale, going so far as to recruit an exotic dancer ready to scrape her way up. They zeroed in on the eccentric and suspect doctors receptive to their methods. Employees at headquarters did their part by deceiving insurance companies. The drug was a niche product, approved only for cancer patients in dire condition, but the company's leadership pushed it more widely, and together they turned Insys into a Wall Street sensation. But several insiders reached their breaking point and blew the whistle. They sparked a sprawling investigation that would lead to a dramatic courtroom battle, breaking new ground in the government's fight to hold the drug industry accountable in the spread of addictive opioids. In The Hard Sell, National Magazine Award–finalist Evan Hughes lays bare the pharma playbook. He draws on unprecedented access to insiders of the Insys saga, from top executives to foot soldiers, from the patients and staff of far-flung clinics to the Boston investigators who treated the case as a drug-trafficking conspiracy, flipping cooperators and closing in on the key players. With colorful characters and true suspense, The Hard Sell offers a bracing look not just at Insys, but at how opioids are sold at the point they first enter the national bloodstream—in the doctor's office.

Mercantile Law (for Cpt Course) Rao Peddina Mohana

International Arbitration: Law and Practice Gary B. Born 2021-06-07 International Arbitration: Law and Practice (Third Edition) provides comprehensive and authoritative coverage of the basic principles and legal doctrines, and the practice, of international arbitration. The book contains a systematic, but concise, treatment of all aspects of the arbitral process, including international arbitration agreements, international arbitral proceedings and international arbitral awards. The Third Edition guides both students and practitioners through the entire arbitral process, beginning with drafting, enforcing and interpreting international arbitration agreements, to selecting arbitrators

and conducting arbitral proceedings, to recognizing, enforcing and seeking to annul arbitral awards. The book is written in clear, accessible language, suited for both law students and non-specialist practitioners, as well as more experienced readers. This highly regarded work addresses both international commercial arbitration and the related fields of investment and state-to-state arbitration and is essential reading for any student of international arbitration and any practitioner seeking a complete introduction to the field. The Third Edition has been comprehensively updated to include recent legislative amendments, judicial decisions and arbitral awards. Among other things, the book provides detailed treatment of the New York Convention, the UNCITRAL Model Law on International Commercial Arbitration, all leading institutional arbitration rules (including ICC, SIAC, LCIA, AAA and others), the ICSID Convention and ICSID Arbitration Rules, and judicial decisions from leading jurisdictions. The Third Edition is integrated with the author's classic International Commercial Arbitration and with the online Born International Arbitration Lectures, enabling students, teachers and practitioners to explore particular topics in more detail. About the Author: Gary B. Born is the world's leading authority on international arbitration and litigation. He has practiced extensively in both fields in Europe, the United States, Asia and elsewhere. He is the author of International Commercial Arbitration (Kluwer Law International 3rd ed. 2021), International Arbitration and Forum Selection Agreements: Drafting and Enforcing (Kluwer Law International 6th ed. 2021), International Commercial Arbitration: Cases and Materials (Aspen 3rd ed. 2021) and International Civil Litigation in United States Courts (Aspen 6th ed. 2018).

Mercantile Law M.C. Kuchhal 1995-12-01

Financial Accounting R.L. Gupta 2021-12-15 The book has been designed as per the Syllabus prescribed by the University of Madras for Paper on 'Financial Accounting' effective 2020-21 for B.Com. Degree First and Second Semesters Core Course; B.Com. (A & F), B.Com. (CS), B.Com. (BM), B.Com. (MM), B.Com. (CA) & B.Com. (ISM)

Advanced Mathematical Methods in Physics Dr. Savita Gahlaut 2021-12-16 Mathematical concepts are an absolute necessity for physics and engineering students. Various mathematical methods are used to study, understand and develop new theories in all the branches of physics. In this book, some advanced mathematical methods are explained, keeping in mind the requirements of physics students. The book is aimed at undergraduate and postgraduate physics students and engineering students. The research student will also find it useful as a quick reference book.

English Grammar & Composition Rajendra Pal 2022-04-25 The book is divided into three parts comprised of overall 35 chapters. Part one contains Grammar, part two – Aids to Vocabulary, and part three – Writing Skills. • The section dealing with Grammar is in double color. The points given in pink color suggest importance or emphasis, so they need attention and will help you to understand quickly and easily. These points are further highlighted with arrows. • Text printed on-screen suggests points likely to misunderstand. Sometimes they explain subtle distinctions between two apparently similar points. • Grammar items are discussed very systematically – one at a time. Plentiful illustrations are followed by carefully designed exercises. • There is an exhaustive section dealing exclusively with Multiple choice questions covering all the areas of Grammar as well as Vocabulary. It will help to get familiar with the latest evaluation pattern. • The chapter on vocabulary is adequate and it has been kept within manageable proportions. • The chapter on Precis writing under the section Writing Skills contains a large number of solved examples, which fully explain how to analyze a passage, how to prepare a rough draft and then turn out a good readable and adequate final precis. They are followed by passages provided with aids to vocabulary and detailed outlines. The passages selected for precis writing cover a wide range of interests and have been carefully graded. • There is a comprehensive section on letter writing covering personal, business, and official correspondence. While it explains the requisites of the good letter—its style, layout – it also provides a number of model letters for quick guidance

Fundamentals of Environmental Studies Mahua Basu 2017-11-08 Fundamentals of Environmental Studies is taught as a compulsory paper to first-year undergraduate students across major technical universities in India. This book introduces the fundamental principles and concepts of environmental science, ecology and related interdisciplinary subjects, such as policy, law, pollution control, economics and natural resource management. It covers a wide range of topics and issues including biodiversity, global warming, acid rain, ozone layer depletion, nuclear accidents, nuclear holocaust, disaster management, manipulation of various natural resources including water, land, forests, food and mineral resources, and the problems associated with natural resource management. It also analyzes different types of ecosystems, biochemical cycles and laws of thermodynamics and provides easy-to-understand examples. In addition, the book offers separate chapters on various types of environmental pollution and waste management, including waste water treatment, solid waste management and green management.

How to Cook Indian Sanjeev Kapoor 2011-05-27 Sanjeev Kapoor burst onto the scene in India with an easy, no-fuss cooking approach. More than a decade later, he is a global sensation with an international media empire that is rooted in this philosophy. In How to Cook Indian, Kapoor introduces American audiences to this simple cooking approach with a definitive book that is the only Indian cookbook you will ever need. His collection covers the depth and diversity of Indian recipes, including such favorites as butter chicken, palak paneer, and samosas, along with less-familiar dishes that are sure to become new favorites, including soups and shorbas; kebabs, snacks, and starters; main dishes; pickles and chutneys; breads; and more. The ingredients are easy to find, and suggested substitutions make these simple recipes even easier.

A Manual of Mercantile Law MC Shukla 2007 The developments during the period since the publication of the last edition have been such that this thirteenth edition has involved the most substantial revisions. Among statutory changes, those with the most significant and immediate impact, flow from the Companies (Amendment) Act, 1988 and various Notifications issued by the Central Government from time to time, and some of the labour laws, more particularly, Factories Act, Workmen's Compensation Act, Industrial Disputes Act and Payment of Wages Act. These amendments and case law developments have necessitated thorough and extensive re-writing and updating. Case law has been updated to January, 1991.

Elements Of Mercantile Law N. D. Kapoor 1983

Marketing Management, C.B. Gupta & N. Rajan Nair C.B. Gupta 2020-01-01 The 19th edition reprinted in 2020 contains <https://tinyurl.com/yb67waxu> – Buying Roles Types of Buying Decisions Scope of Marketing Process of Marketing Profile of Rural Markets Some of the distinctive features of the book are as follows:

Learning Objectives to give a bird's eye-view of the topics covered in each chapter. Lucid, concise and simple language. Real life illustrations from Indian industry. Liberal use of tables and diagrams to illustrate the text. Summary at the end of every chapter for quick revision. Case Study at the end of each chapter. Test Questions culled from examinations of various Universities and Business Schools. Select Bibliography for further study. We sincerely believe that there is always scope for improvement. Therefore, we invite suggestions for further enriching the book.

Contract Law Claire-Michelle Smyth 2018-07-09 This text serves as an accessible introduction to the law of contract. The headings chosen for examination track the main points in the lifetime of a contract—from its formation, drafting, and onward to its eventual dissolution, whether this occurs due to the terms of the contract, the will of the parties, or because of a breach of the agreed terms. It also provides studies of other notable areas within the subject, such as third-party rights, damages, and equitable remedies. In distinction to other guides to contract law, this text provides a comparative analysis of the area, incorporating sources drawn from both the civil law tradition, characteristic of several nations within Continental Europe, as well as the Anglo-American common law tradition, with cases and legislation drawn from England and the United States of America. It also explores contract law in the unique context of so-called hybrid jurisdictions—those that incorporate elements of both the common law and civilian traditions. As business assumes a global dimension, knowledge of the operation of contract law across various legal traditions and national contexts is increasingly at a premium. This text enables the student to gain a coherent vision of contract law, as well as to speak confidently when discussing the intricacies of the subject.

Elements Of Company Law N. D. Kapoor 1972

Business Law – As per IP University Syllabus for BBA and B.Com. (Hons.) N.D. Kapoor 2020-01-01 As per IP University Syllabus for BBA and B.Com. (Hons.)

The Diary of a Young Girl Anne Frank 2010-09-15 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize–winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Business Environment Saleem, Shaikh The revised edition of Business Environment presents a thorough overhaul, updated with the latest information and developments. Having ten new chapters, including comparative study of business environments in India, China, SAARC and European Country

Secretarial Practice and Company Law Arun Kumar 1998
