Ghost Soldier Elaine Marie Alphin 2015-06-02 The ghost of a young soldier from the Civil War haunts a troubled teen. "I sat up. The jagged trenches were only soft grassy depressions in the sunny battlefield park. I felt tears burn my eyes, the relief was so strong, and then the misery of losing the ghost hit me." Alexander has the ability to see ghosts. But it's been several years since his last encounter. When he reluctantly joins his father on a long trip away from home, a surprise awaits him. In the unfamiliar territory of North Carolina, Alexander is confronted by the ghost of a young soldier who lost his life in the Civil War. As an unusual friendship develops between the two, Alexander is drawn into a new reality where he comes face to face with the haunting past of his soldier friend. But can Alexander help this troubled ghost, and can he, finally, come to terms with his own disturbing past? With deftness and insight, Elaine Marie Alphin tells a gripping story that weaves the supernatural with the historical. Ghost story fans and Civil War buffs alike are in for a real treat. Ghost Soldier is a nominee for the 2002 Edgar Award for Best Juvenile Mystery.

Women's Letters Lisa Grunwald 2008-04-08 Historical events of the last three centuries come alive through these women's singular correspondences—often their only form of public expression. In 1775, Rachel Revere tries to send financial aid to her husband, Paul, in a note that is confiscated by the British; First Lady Dolley Madison tells her sister about rescuing George Washington's portrait during the War of 1812; one week after

JFK's assassination, Jacqueline Kennedy pens a heartfelt letter to Nikita Khrushchev; and on September 12, 2001, a schoolgirl writes a note of thanks to a New York City firefighter, asking him, "Were you afraid?" The letters gathered here also offer fresh insight into the personal milestones in women's lives. Here is a mid-nineteenth-century missionary describing a mastectomy performed without anesthesia; Marilyn Monroe asking her doctor to spare her ovaries in a handwritten note she taped to her stomach before appendix surgery; an eighteen-year-old telling her mother about her decision to have an abortion the year after *Roe v. Wade*; and a woman writing to her parents and in-laws about adopting a Chinese baby. With more than 400 letters and over 100 stunning photographs, *Women's Letters* is a work of astonishing breadth and scope, and a remarkable testament to the women who lived—and made—history.

Ghost Cadet Elaine Marie Alphin 1992-05-01 A young boy earns respect and friendship when he meets the ghost of a Civil War soldier.

Fright to the Point Thad Krasnesky 2011 The United States Military Academy at West Point houses more than cadets; there are ghosts aplenty to stir your imagination and peak your curiosity about the country's oldest continuously running military school. This collection of 13 spooky ghost stories is focused on apparitions that make their home at West Point, right along with the living souls who march the halls of patriotism everyday. Within these pages meet Vivian, a mourning ghost at the Morrison House, but be careful not to lose your head over her (literally). The playful, but lazy, spirit maid at Washington Hall may take your wallet or you may be surprised to see the Lady in White at the Catholic Chapel floating at nearly 100 feet above your head—just before she plunges to the ground and disappears. What will frighten you at West Point?

Media Meltdown Liam O'Donnell 2009-10-01 Pema, Jagroop, and Bounce discover media-making tools such as script writing on the Internet and produce a movie to get the news out when

the corrupt developers who try to force Jagroop's father to sell the family farm also influence what is broadcast on the local news.

Ghost Flames Charles J. Hanley 2020-08-25 A powerful, character-driven narrative of the Korean War from the Pulitzer Prize-winning writer who helped uncover some of its longest-held and darkest secrets. The war that broke out in Korea on a Sunday morning seventy years ago has come to be recognized as a critical turning point in modern history -- as the first great clash of arms of the Cold War, the last conflict between superpowers, the root of a nuclear crisis that grips the world to this day. In this vivid, emotionally compelling, and highly original account, Charles J. Hanley tells the story of the Korean War through the eyes of twenty individuals who lived through it--from a North Korean refugee girl to an American nun, a Chinese general to a black American prisoner of war, a British journalist to a U.S. Marine hero. This is an intimate, deeper kind of history, whose meticulous research and rich detail, drawing on recently unearthed materials and eyewitness accounts, bring the true face of the Korean War, and the vastness of its human tragedy, into a sharper focus than ever before. The "forgotten war" becomes unforgettable.

Bulletin 2000

Absolutely American David Lipsky 2014-12-16 This chronicle of daily life at the US Military Academy is "a fascinating, funny and tremendously well written account of life on the Long Gray Line"

(Time). In 1998, West Point made an unprecedented offer to Rolling Stone writer David Lipsky: Stay at the Academy as long as you like, go wherever you wish, talk to whomever you want, to discover why some of America's most promising young people sacrifice so much to become cadets. Lipsky followed one cadet class into mess halls, barracks, classrooms, bars, and training exercises, from arrival through graduation. By telling their stories, he also examines the Academy as a reflection of our society: Are its principles of equality, patriotism, and honor quaint anachronisms or is it still, as Theodore Roosevelt called it, the most "absolutely American" institution? During an eventful four years in West Point's history, Lipsky witnesses the arrival of TVs and phones in dorm rooms, the end of hazing, and innumerable other shifts in policy and practice. He uncovers previously unreported scandals and poignantly evokes the aftermath of September 11, when cadets must prepare to become officers in wartime. Lipsky also meets some extraordinary people: a former Eagle Scout who struggles with every facet of the program, from classwork to marching; a foul-mouthed party animal who hates the military and came to West Point to play football; a farm-raised kid who seems to be the perfect soldier, despite his affection for the early work of Georgia O'Keeffe; and an exquisitely turned-out female cadet who aspires to "a career in hair and nails" after the Army. The result is, in the words of David Brooks in the New York Times Book Review, "a superb description of modern military culture, and one of the most gripping accounts of university life I have read. . . . How teenagers get turned into leaders is not a simple story, but it is wonderfully told in this book."

A Guide to American Defenders of Land, Sea & Sky Patricia A. Bonner 1996

Return of the Ghost Cadet Rebecca Welker 2009-01-25 I have a confession to make. When I read, I run one finger along the text, just to keep my place. It's weird, I know- and it makes it look like I'm about seven, or illiterate. But I'm not, I swear- at least you believe me. That's more than I can say for my English teacher. The funny thing is, everything that happened afterward is a direct result of this finger in the text thing, and even though that makes for a weird story, you've got time to listen, so just chill and I'll tell you all about it.
