Rumbo a una vida mejor Jorge Bucay 2015-06-01 Una nueva obra que reúne los temas que han fascinado y obsesionado a Jorge Bucay a lo largo de su carrera. En este manual práctico, Jorge Bucay pasa revista a los asuntos que debemos tener en cuenta para distinguir entre "pasar por la vida" y tener una vida plena. La autoconfianza y el amor por uno mismo, el autoconocimiento, la fidelidad a nuestros valores y aspiraciones, el optimismo y el deseo, los vínculos sanos y nocivos, los prejuicios sociales que influyen en nuestras decisiones cotidianas, son algunas de las estaciones por las que el psicólogo argentino transita en el camino para alcanzar lo mejor de nosotros mismos. En estas páginas se hallarán las guías y consejos que el autor, con su peculiar y ya reconocido estilo, ha sabido madurar en su experimentada trayectoria de indagación sobre el comportamiento humano.

Storytelling – Konflikte lösen mit Herz und Verstand Dr. Hanna Milling 2020-04-01 Geschichten berühren. Geschichten provozieren. Geschichten bewegen. Geschichten sind in Sprache gegossene Bilder. Sie erreichen Herz und Verstand und vermögen es so auf ganz besondere Weise, tiefe Erkenntnisse und wirkliche Haltungs- und Verhaltensänderungen einzuleiten. Mit diesem Buch führt die Autorin in die Kunst des Geschichtenerzählens ein und vermittelt, wie Storytelling bei der Lösung von Konflikten helfen kann. Dabei liefert sie Hintergründe über die Wirkkraft von Geschichten und zeigt anschauliche Praxisbeispiele. Zu einem unersetzlichen Nachschlagewerk wird das Buch durch die Sammlung von 101 Geschichten und die in der zweiten Auflage neu hinzugekommenen 33 neuen Geschichten. Zu jeder Geschichte werden Schlüsselbegriffe genannt, die die Einsatzmöglichkeiten der jeweiligen Geschichte benennt. Über das Schlüsselwort-Register findet sich für jedes Thema eine passende Geschichte.

True Kaizen Collin McLoughlin 2017-11-13 What does it take to manage an organization to success? No matter what industry you are in, an organization is primarily a group of people. This book focuses on that ever-important human element. In the rush to get 'lean', many organizations focus solely on tools for increasing productivity, but where do these tools come from? In this book, Collin McLoughlin and Toshihiko Miura look back on their decades of international consulting experience to examine how organizations around the world have transformed on a cultural level by respecting the people who work within them and leveraging their creativity to solve problems. As our workforce becomes more knowledgeable, skillful, and more perceptive of their needs and wants as employees, the ability to reach the true potential of an organization becomes more and more difficult. Managers must look at each individual element of an equation like this in order to fully understand how to achieve an answer. They must begin to answer more focused questions, such as: 1. How productive is the existing work climate and culture? 2. How do employees, as individuals, navigate the existing work climate? (How do they deal with day-to-day issues with each other?) 3. Where and how are individuals and their work processes assessed? 4. What obstacles do employees face every day, and are they empowered to fix these

obstacles? 5. What role does leadership play at each level of the organization? (Looking at the organization in layers of management.) To address these challenges, this book focuses on three main aspects of leadership and management: 1. Addressing and Improving the Perspective of Management -- The ideas presented in this book are not limited to a certain industry or field of work, but can be applied in any setting because they speak to a universal human element. 2. Exploring and Improving Work Climate -- Organizations are social entities, operating within their own controlled environment. This book will explore the factors that contribute to, and encourage, a positive work climate. 3. Observing and Eliminating Wasteful Work Processes -- Observing wasteful activities and work processes requires a refined perspective. The case studies presented illustrate the How and Why to help refine expertise. This will also lead to the joy and benefits

El candidato Jorge Bucay 2013-03-22 ¿Quién mueve los hilos del poder? UN THRILLER POLÍTICO DE ALTO IMPACTO En una imaginaria nación latinoamericana ocurre un suceso que sorprende a sus habitantes. El líder máximo del país ha decidido dejar el poder. Nadie conoce sus verdaderos motivos, pero de inmediato se convoca a elecciones y la efervescencia política se apodera de la población. Sin embargo, muy pronto el entusiasmo de los ciudadanos y sus sueños democráticos ceden su lugar al miedo cuando los candidatos son secuestrados o asesinados. Mientras tanto ocurren extraños atentados, los cuales son reivindicados por un grupo que se aut nombra "La Familia". El psicólogo forense Agustín Montillano, la periodista Carolina Guijarro y el médico Mario Fossi se verán envueltos en una peligrosa intriga cuando comiencen a explorar los oscuros callejones del poder, la corrupción y la manipulación en su esfuerzo por encontrar la verdad. El Candidatoes la primera novela de Jorge Bucay. Obtuvo en 2006, el Premio de Novela Ciudad de Torre Vieja. El candidato es la primera novela de Jorge Bucay. Listen, Little Man! Wilhelm Reich 2013-07-02 Listen, Little Man! is a great physician's quiet talk to each one of us, the average human being, the Little Man. Written in 1946 in answer to the gossip and defamation that plagued his remarkable career, it tells how Reich watched, at first naively, then with amazement, and finally with horror, at what the Little Man does to himself; how he suffers and rebels; how he esteems his enemies and murders his friends; how, wherever he gains power as a "representative of the people," he misuses this power and makes it crueler than the power it has supplanted. Reich asks us to look honestly at ourselves and to assume responsibility for our lives and for the great untapped potential that lies in the depth of human nature.

Gonzalez and Daughter Trucking Co. María Amparo Escandón 2005-04-19 From the author of L.A. Weather comes "a whimsical, humorous, and passionate mystery that explores the love and hurt of a father and daughter on the run" (Jorge Ramos, News Anchor for Univision). "1,001 nights in a Mexicali women's prison . . . González and Daughter Trucking Co. is about our compulsion to make events into stories and stories into bridges of understanding."—John Sayles, Screenwriter and Director Serving a sentence in a prison in Mexico, Libertad González finds a clever way to pass the time with the weekly Library Club, reading to her fellow inmates from whatever books she can find in the prison's meager supply. The story that emerges, though, has nothing to do with the words printed on the pages. She tells of a former literature professor and fugitive of the Mexican government who reinvents himself as a trucker in the United States. There he falls in love with a wild woman with whom he shares his truck and his life—that is until Joaquín González unexpectedly finds himself alone on the road with a baby girl and González & Daughter Trucking Co. is born. Joaquín and his daughter make the cab of an 18-wheeler their home, sharing everything—adventures, books, truck-stop chow, and memories of the girl's mother—until one day the girl grows into a woman, and a chance encounter with one man causes her to rebel against another. With her stories, Libertad entralls a group of female prisoners every bit as eccentric as the tales she tells. In González and Daughter Trucking Co., bestselling author María Amparo Escandón seamlessly blends together these elements into one compelling and unexpected conclusion

that will have you cheering for Libertad and filled with joy.

El camino de la espiritualidad Jorge Bucay 2019-06-06 Con frecuencia olvidamos que el ser humano no se define sólo a partir de lo concreto, lo tangible, lo que se manifiesta a simple vista. Somos mucho más que un cuerpo y, por lo tanto, para alcanzar la plenitud es necesario desarrollar también nuestra espiritualidad. Así lo entiende el exitoso escritor y terapeuta Jorge Bucay, quien reflexiona en estas páginas en torno a un tema que muchos suelen menospreciar, sobre todo si entienden el éxito únicamente desde los logros económicos, sociales o laborales. Pero más allá de esto se encuentra una dimensión que se relaciona con lo más esencial, intangible e íntimo de cada persona. En su búsqueda constante descubriremos un camino que conduce siempre en ascenso: si conectar con el alma es tocar la cima de la montaña, la llamada del espíritu es una invitación a seguir subiendo.

Reach Out and Read the World Europa Editions 2017-05-02 Spanning six continents, the Reach Out and Read the World sampler contains excerpts from a large selection of international fiction published over Europa's twelve-year history as an independent publisher that encourages global and social empathy. The compilation is completed with an introduction by Europa's Editor-in-Chief Michael Reynolds, country profiles, discussion questions and a "71 Reasons to Read International Literature" comment piece by booksellers from across the United States on the importance of reading internationally. Altogether, Reach Out and Read the World is a transformative read, one that helps humanize our world through the power of story.

Cuentos para Pensar (EDICIÓN ESPECIAL de LUJO) Jorge Bucay 2017-04-01 During his long and plentiful professional career, Jorge Bucay has always recounted stories not only as a means to teach his patients, but also to reflect with them on common worries and concerns of human beings. This book, one of his most widely read titles, combines many of these inspiring stories. They are the stories that accompany us and help to shed light on our inner growth. Almost all of them have their own inspiration, but we also find the traditional narratives and stories that have enriched the thinking process and lives of readers. This new, beautifully edited edition is designed not only to re-enchant those who already knew the previous work, but also to conquer new generations of readers.

Hector and the Secrets of Love Francois Lelord 2011-05-31 The irresistible second installment in the beloved series that has sold millions of copies worldwide. Since his first captivating adventure in Hector and the Search for Happiness, Hector the young French psychiatrist has continued to explore the mysteries of the human soul. Having found that love seems virtually inseparable from happiness, he begins taking notes on this powerful emotion. But unbeknownst to him, Clara, the doctor's beloved, is making her own investigations into love. As much a love story as a novel about love, Hector and the Secrets of Love is a feel-good life manual wrapped in a globetrotting adventure, told with the blend of a fairy tale's naïve wisdom and a satirist's dry wit that has won Hector fans around the world.

El cochero Marcos Aguinis 2001-01-01 Dos de los referentes más válidos del pensar y sentir de la sociedad actual. Frente a ellos, el público. El motivo del encuentro? Escribir un libro elaborado en forma conjunta a partir del intercambio de preguntas, respuestas, opiniones, testimonios y relatos de los temas nos preocupan. A lo largo de seis meses Aguinis y Bucay recorrieron las ciudades de Rosario, Buenos Aires, Mar del Plata, Punta del Este, Córdoba y Mendoza en encuentros abiertos en los que dialogaron con la audiencia. Así, cada una de las páginas de este libro se fue escribiendo sobre los renglones de lo que conforman las inquietudes, preocupaciones, ilusiones y vivencias de la gente hoy. La pareja, la separación, la fidelidad, la infidelidad, la soledad, las crisis, las adicciones, la violencia... las preguntas y respuestas se multiplicaron en valiosos intercambios repletos de interpretaciones y sorpresas, subidas y bajadas donde los autores no escatimaron densidad crítica o consejos prácticos, cuentos o anécdotas, erudición, drama, información, ternura. Dicen que muchos autores, en secreto, se sorprenden de algunas de las interpretaciones que hacen sus lectores, aquellos que ponen la última nota a esa larga melodía que es un libro. Esta vez Marcos Aguinis y Jorge Bucay han decidido correr ese velo para escribir con la audiencia, cara a cara, de frente y de perfil, a pura improvisación, El cochero, un libro en vivo.

El camino del encuentro Jorge Bucay 2011-03-18 El camino del encuentro nos habla sobre el descubrimiento del otro, del amor, del sexo, llevándonos de la risa a la reflexión mientras nos muestra la ruta del encuentro verdadero. «El camino hacia la realización personal es difícil y continuo», nos dice Jorge Bucay en sus libros. En esta serie de caminos, el autor nos ofrece unos mapas de territorio para que cada uno de nosotros recorra el suyo propio, a su ritmo y eligiendo el trayecto. «Ser feliz -afirma- no es un derecho solamente; también es, de muchas maneras, una obligación contraída con la vida.» En El camino del encuentro Jorge Bucay nos invita al compromiso, al contacto y a compartir con los demás. A

lo largo de sus inteligentes y provocadores comentarios, nos lleva de la risa a la reflexión mientras nos muestra la ruta del encuentro verdadero en la amistad, en la familia, en el amor y en el sexo. Siendo como es un libro de entretenida lectura, nos atrevemos a asegurar que nadie después de leerlo seguirá pensando igual que antes de hacerlo.

Of Parents and Children Jorge Bucay 2019 Literary Nonfiction. Parenting & Family. LGBTQIA Studies. Translated by Sarah Moses. Empieza hoy el resto de tu vida Jorge Bucay 2018-02-28 En ocasiones postergamos nuestra felicidad; unas veces anhelando el pasado y otras viviendo a la expectativa del futuro, sin poder anclarnos con el presente y sin disfrutar del aquí y el ahora. Demasiadas veces basamos nuestra vida en factores externos como los bienes materiales, la posición social, los mandatos familiares, nuestros éxitos o la percepción que los demás tienen de nosotros. Sin embargo, nada está más alejado de la realidad. En este libro, Jorge Bucay nos muestra que cada individuo es valioso, útil, necesario e irremplazable, merecedor de todo lo bueno y con una capacidad infinita de aprender y crecer. Y esto te incluye a ti. Empieza hoy el resto de tu vida es una conmovedora lección que te motiva a aceptar tu realidad, vencer tus miedos y transformar tus sueños en proyectos de vida.

Natural Education To Your Child Orlando Eijo 2019-06-28 I am an animal trainer, I study wild behavior of animals from a pedagogical point of view; I was very surprised to watch how some human mothers need to shake their children in the streets, shouting. With capricious boys and girls touching everything in the store or heading to the street dangerously, with their mothers running behind them shouting. Why a little goat from the mountain knows from early childhood that it must not go near the cliffs? Are they more intelligent than our children? of course, not. Our children reach the intelligence of an adult wolf at the age 2, and at 6, they are as intelligent as a chimpanzee, to intellectually overcome all animals from that age. I want to share with you the simple and natural training methods animals use to raise their children.

Stories We've Heard, Stories We've Told Jeffrey Kottler 2014-09-26 This is a book that integrates what is known from a wide variety of disciplines about the nature of storytelling and how it influences and transforms people's lives. Drawing on material from the humanities, sociology, anthropology, neurophysiology, media and communication studies, narrative inquiry, indigenous healing traditions, as well as education, counseling, and therapy, the book explores the ways that therapists operate as professional storytellers. In addition, our job is to hold and honor the stories of our clients, helping them to reshape them in more constructive ways. The book itself is written as a story, utilizing engaging prose, research, photographs, and powerful anecdotes to draw readers into the intriguing dynamics and processes involved in therapeutic storytelling. It sets the stage for what follows by discussing the ways that stories have influenced history, cultural development, and individual worldviews and then delves into the ways that everyday lives are impacted by the stories we hear, read, and view in popular media. The focus then moves to stories within the context of therapy, exploring how client stories are told, heard, and negotiated in sessions. Attention then moves to the ways that therapists can become more skilled and accomplished storytellers, regardless of their theoretical preferences and style.

Ideal Possibility Claudia Zamora 2010-11-12 Based on the natural laws which govern Creation, this work reveals the knowledge contained in the observation of life itself. Combining physics and philosophy,

practical, spiritual and everyday facts, always acknowledging the importance of the inner work, the author claims that to be successful, we need to break free from self-destructive patterns and foster long term solutions that will bring fulfilment in all areas of our lives. Claudia Zamora has been a catalyst of new alternative therapies, bringing an inspiring and evolutionary message of transformation, specifically in the areas of personal development and right use of human potential. With her innovative methods, she shares with us a unique formula of spirituality, psychology, and philosophy.

The Happiness Delusion Gustavo Bueno 2019-11-26 Challenging the received wisdom surrounding the term "happiness", the Spanish philosopher Gustavo Bueno (1924-2016) sets his critical eye on the mass of literature bought and sold on highly dubious assumptions. With his trademark erudition and precision, Bueno breaks down the ignorance feeding into these assumptions, laying out a classification of the incompatible and often unconscious models in play. In doing so, he deploys his system of philosophy - philosophical materialism - to comprehensively shred the Western canon, history and science to lay the foundations for a much better informed understanding of "happiness". This translation brings to an English-language audience the first book-length translation of the work of one of Spain's leading philosophers over the last 50 years, one whose system of philosophy has influenced countless thinkers in Spain and abroad.

Between the Dark and the Daylight Joan Chittister 2015-02-24 "There is a part of the soul that stirs at night, in the dark and soundless times of day, when our defenses are down and our daylight distractions no longer serve to protect us from ourselves," writes beloved author, Joan Chittister. "It's then, in the still of life, when we least expect it, that questions emerge from the damp murkiness of our inner underworld... These questions do not call for the discovery of data; they call for the contemplation of possibility." In words as wise as they are inspiring, Between the Dark and the Daylight explores the concerns of modern life, of the overworked mind and hurting heart. These are the paradoxical—and often frustrating—moments when our lives feel at odds with everything around us. Only by embracing the contradictions, Chittister contends, may we live well amid stress, withstand emotional storms, and satisfy our yearnings for something transcendent and real. By delving into the chaos, this book guides us through the questions that seemed easier to avoid and enlightens what has been out of focus. With her signature elegance, wit, and spirit, the bestselling author of The Gift of Years and Following the Path opens our eyes and hearts in these times of confusion. With simple and poignant meditations, Between the Dark and the Daylight reveals how we can better understand ourselves, one another, and God.

La comprensión lectora en la enseñanza del español LE/L2 Victoria Rodrigo 2018-10-09 La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica presents state-of-the-art theory and teaching practices for integrating reading skills into the teaching of Spanish. The book bridges a conspicuous gap between research supporting reading as a key component of language acquisition and actual practice by discussing how to implement reading successfully in and out of the classroom. Written entirely in Spanish, the book focuses on the needs of Spanish language learners with the goal of motivating students to read in the target language and work with diverse types of texts and genres. Written in a clear and accessible manner, La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica is an essential resource for teachers of Spanish at all levels. It is an excellent reference book for language teachers who wish to integrate reading into the teaching of the Spanish language.

¡Bienvenidos! ¡Welcome! Susannah Mississippi Byrd 2005-05-02 Presents a guide to the ideas, resources, and strategies for increasing library service to Latino populations.

Themes in Latin American Cinema Keith John Richards 2020-03-06 This updated and expanded edition gives critical analyses of 23 Latin American films from the last 20 years, including the addition of four films from Bolivia. Explored throughout the text are seven crucial themes: the indigenous image, sexuality, childhood, female protagonists, crime and corruption, fratricidal wars, and writers as characters. Designed for general and scholarly interest, as well as a guide for teachers of Hispanic culture or Latin American film and literature, the book provides a sweeping look at the logistical circumstances of filmmaking in the region along with the criteria involved in interpreting a Latin American film. The book also includes interviews with and brief biographies of influential filmmakers, along with film synopses, production details and credits, transcripts of selected scenes, and suggestions for discussion and analysis.

El camino de la felicidad Jorge Bucay 2011-03-18 Una invitación a plantearse una manera propia de vivir y centrarse en encontrar la felicidad. La autodependencia, el amor, el dolor y la felicidad son los cuatro caminos que, según Jorge Bucay, conducen a la plenitud del ser humano, cuatro trayectos que cada uno

ha de recorrer desde su experiencia personal y a su propio ritmo. En *El camino de la felicidad*, Bucay nos habla de la ilusión, el deseo, la acción y el desafío que hay que empeñar para descubrir quiénes somos en realidad. La felicidad es fruto de una búsqueda personal, de un compromiso incondicional con la propia vida. En palabras del autor: «Ser feliz no quiere decir necesariamente estar disfrutando, sino vivir la serenidad que me da saber que estoy en el camino correcto hacia algo placentero, disfrutable, hacia algo que tiene sentido para mí». Para Jorge Bucay, como él mismo anuncia desde el principio, ser feliz no es un derecho, es una obligación.

3 On The Way Mónica Vírchez Figueroa 2022-05-17 Being a mother of multiples and preemies is a great adventure which is unknown to many. It involves a lot of attention, commitment, dedication, and time to take care of your health at the same time as raising your newborn babies. Be moved by the experiences of a mother who delivered her triplets prematurely in a foreign country, with the help of the NIDCAP method, in the Neonatal Intensive Care Unit. It is not intended as an advice guide, but it does tell the story of several years of experience for her, her husband and their three babies. Are you afraid of finding out that you will have a multiple pregnancy? Do you know what it means to have babies born prematurely? Can you imagine what life will be like for you and your babies in the Neonatal Intensive Care Unit? Do you have any idea how exhausted you will feel during the first year? Have you heard about the consequences of burnout and chronic fatigue? In this book you will also find answers to your questions about what a high-risk pregnancy and an emergency caesarean section can be like, as well as different concerns such as premature birth and neonatal care, psychological support networks and the monitoring of babies so that they can grow up in the best possible way. As parents, we are often faced with major changes in our lives, and a myriad of different and contradictory emotions and feelings manifest themselves due to the big event. Find out more: Necessary care for the mother during a high-risk pregnancy and in the postpartum. The optimal neonatal care needed for premature babies and the help of the NIDCAP method. Mondays with My Old Pastor José Luis Navajo 2012 In lyrical prose, a totally burned-out young preacher reignites his faith and gathers wisdom for life--through personal anecdotes, fables and deep spiritual insights--while spending successive Mondays with an 83-year-old pastor and his wife. Original.

Ask the Bones Various 2002-08-26 What is real and what is imaginary? Do evil creatures lurk in the shadows? Do demons attack the helpless? Are there such things as invisible men? For generations, storytellers have given substance to our worst fears. In *Ask the Bones*, master storytellers Arielle North Olson and Howard Schwartz retell a varied selection of the world's most frightening folktales. Be warned--these stories could scare you to death! Illustrated by David Linn. "These twenty-two stories provide a wide variety of supernatural happenings that won't disappoint the young horror acolyte." (The Horn Book, starred review)

The King and the Magician Jorge Bucay 2014-08-26 A mighty ruler discovers someone in his kingdom has more power than himself. But when the king sets out to destroy this fearsome enemy, a humble magician, the tables are turned, and an unexpected journey begins. In this beautifully illustrated story with a timeless message, a feared and cruel king learns of a wise magician in his kingdom who is rumored to be even more powerful than himself. The magician can predict the future, and even worse, he is more popular than the fearsome king. Jealous and insecure, the enraged king plots to destroy this "enemy." But, being a magician, he has a trick up his sleeve that saves his own life and the king's. With help from an unexpected friend, the king transforms from a feared and brutal monarch to a beloved leader. Enduring messages about the power of wisdom and compassion are conveyed in a classic storytelling style and outstanding, original artwork.

Dimensions of Forensic Linguistics John Gibbons 2008 This volume functions as a guide to the multidisciplinary nature of Forensic Linguistics understood in its broadest sense as the interface between

language and the law. It seeks to address the links in this relatively young field between theory, method and data, without neglecting the need for new research questions in the field. Perhaps the most striking feature of this collection is its range, strikingly illustrating the multi-dimensionality of Forensic Linguistics. All of the contributions share a preoccupation with the painstaking linguistic work involved, using and interpreting data in a restrained and reasoned way.

Letters to a Young Psychologist & The Golden Coin: Freud or Jung? Ignacio Solares 2014-07-25 Letters to a Young Psychologist consists of a series of essays in the form of letters. As a primer on the subject of psychology, it is unique because it comes through the lens of a novelist with insightful references to the junction of psychology and literature. Early in the book, Solares gives an overview of why the field of psychology fascinates him: "Vast regions of the human mind haven't yet been mapped." He encourages the reader: "I can only hope that you will fall madly in love with [psychology]. I give you these letters thoroughly drenched in that same spirit, starting with Freud and ending with the discovery of hypnosis and the volatile introduction of drugs into psychotherapy." Solares explores Freud's contributions and limitations, and does the same for Jung. He also tackles Behaviorism. Pragmatism, spirituality, an entertaining predecessor of Freud, Franz Mesmer, the use and misuse of drugs in psychological treatment, and role of meditation in psychology. The Golden Coin: Freud or Jung?, an award-winning play, features an enlightening and lively intellectual duel between the two famous psychologists of the title, one of whom visits the other from the afterlife.

Barcelona Noir Adriana V. López 2011-04-19 Journey to Spain with "stories that tap into history, politics and culture to cast a cloak of horror and humor on the city's distinctive neighborhoods" (The Miami Herald). For some, Barcelona is a European enchantress of nouveau architecture, fusion tapas, and fine cava. To others, it's a Gothic labyrinth of tiny streets to lose oneself in; hashish-clouded after-hours bars to forget the time; dimly lit plazas with global bohemians squatting, prostitutes tempting. But come morning, its cold cobblestones and misty beachfronts have even darker stories to tell. This collection of crime fiction includes brand-new stories by Jordi Sierra i Fabra, Imma Monsó, Santiago Roncagliolo, Francisco González Ledesma, Valerie Miles, David Barba, Isabel Franc, Lolita Bosch, Eric Taylor-Aragón, Antonia Cortijos, Cristina Fallarás, Raúl Argemí, Teresa Solana, and Andreu Martín. "The 14 stories . . . hew closely to the bleak spirit of the noir genre, whether reaching back to the 1920s . . . or chronicling chaotic immigrant-infused present-day Barcelona." —Publishers Weekly "Each [contributor] presents his or her own personal picture of the city, and as a whole, the anthology projects a many-hued sense of place. As portrayed here, Barcelona is a city that looks different from every angle." —Booklist "With 50 titles in its noir series and counting, Akashic adds another fine anthology to the lineup. . . . Fans of Spanish literature and crime fiction will enjoy." —Library Journal

Komm, ich erzähl dir eine Geschichte Jorge Bucay 2011-09-01 Das Leben ist eine komplizierte Angelegenheit. Nicht so sehr jedoch für Jorge, der als Psychoanalytiker das Schwierige erklären muss. Denn er weiß, wie er Demian, dem neugierigen jungen Mann, der auf seine vielen Fragen alleine keine Antwort findet, helfen kann – mit Geschichten: Sagen der klassischen Antike, Märchen aus aller Welt, sephardische Legenden, Sufi-Gleichnisse, Zen-Weisheiten aus Japan und China. Und sollte er wirklich einmal keine passende Geschichte in seinem riesigen Fundus haben, dann erfindet er eben selbst eine. Auf diese Weise hilft er seinem Zuhörer Demian, seine Ängste und Probleme besser zu verstehen. Jorge Bucay hat ein Buch geschrieben, das hilft, sich selbst zu helfen. Leichtfüßig, witzig, lehrreich und unterhaltsam.

Let Me Tell You a Story Jorge Bucay 2013-08-06 Over 2 million copies sold worldwide Let Me Tell You a Story is a tender and delicate book about the search for happiness. Demian is highly strung young man, curious about the world and himself, but he has difficulty facing some of life's everyday problems, those concerning work, his love life, and relationships with friends and family. He is eager to know more about himself and to learn how to confront life with gusto and serenity. In short, he wants what all of us want: to be happy and fulfilled. Demian finds Jorge, an unconventional psychoanalyst who approaches Demian's dilemma in an unconventional way. Every day, Jorge tells Demian a story. At times they are classic fables, others modern stories, or folk tales, stories that have been revisited and reshaped by the analyst to help his young friend overcome his doubts and find happiness. They are, in short, stories that can help every one of us better understand ourselves, our relationships, and our fears.

The Power of Self-Dependence Jorge Bucay 2005-02 An innovative self-help program draws on a multitude of sources—including folktales, the Bible, Eastern philosophy, and the Torah—to explain how to overcome unhealthy behavior patterns by emphasizing the concept of "self-dependence" to promote self-awareness, personal happiness, independence, and successful relationships with others.
