Motor World for Jobbers, Dealers and Garagemen 1918

Partisan Life with Mosby's Rangers (Abridged, Annotated) Major John Scott 2016-11-15 John Singleton Mosby's Rangers bedeviled the Union army for four long years. The Rangers were what we would today call guerillas; units that could make fast raids and get away before the enemy could react. This highly-successful unit became legendary during the war and continues to be an object of fascination by scholars and enthusiasts of the period into the 21st century. This is the official memoir of Mosby's command, written with his cooperation after the war. The author of this work, John Scott, wrote the Partisan Ranger Law in 1862. John Singleton Mosby was a remarkable individual. Highly intelligent, educated, and modest, he held the respect of many on both sides of the war. After the Civil War, he became a Republican and a supporter of Ulysses S. Grant. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

Democracy and Education John Dewey 1916 John Dewey's Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.
