A Rising Thunder David Weber 2013-02-05 # 3 New York Times bestseller in hardcover. David Weber New York Times, USA Today, Wall Street Journal and international bestselling phenomenon delivers book #13 in the multiple New York Times best-selling Honor Harrington series. Honor Harrington faces down a powerful attack by a corrupt and powerful star empire while rooting out a deadly plot to enslave the entire human-inhabited galaxy. Peril and strife strike on a double front for Honor Harrington and company. After a brutal attack on the Manticoran home system, Honor Harrington and the Star Kingdom she serves battle back against a new, technologically powerful, and utterly nefarious enemy. And as if that weren't task enough, Honor must also face down a centuries-old old nemesis in the crumbling, but still mighty, Solarian League. The war between the People's Republic of Haven and the Star Kingdom is finally won and peace established, but grave danger looms—for there is a plan well on its way to completion designed to enslave the entire human species. Behind that plan lies the shadowy organization known as the Mesan Alignment. Task number one for Honor is to defend against another devastating Mesan strike—a strike that may well spell the doom of the Star Kingdom in one fell blow. It is time to shut down and secure the wormhole network that is the source of the Star Kingdom's wealth and power—but also its greatest vulnerability. Yet this is an act that the ancient and corrupt Earth-based Solarian League inevitably will take as a declaration of war. The thunder of battle rolls as the Solarian League directs its massive power against the Star Kingdom. And once again, Honor Harrington is thrust into a desperate battle that she must win if she is to survive to take the fight to the real enemy of galactic freedom—the insidious puppetmasters of war who lurk behind the Mesan Alignment! About A Rising Thunder: "Intrigue and counter-intrigue heighten the tension in Weber's 13th Honor Harrington novel. . . as the author highlights the complex maneuverings of government leaders in this politically savvy. . . novel that bridges the gap between the last novel and the expected sequel."—Publishers Weekly About Mission of Honor, #12 in the Honor Harrington series: "Weber combines realistic, engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in the long-awaited 12th Honor Harrington novel...Fans of this venerable space opera will rejoice to see Honor back in action."—Publishers Weekly "This latest Honor Harrington novel brings the saga to another crucial turning point...Readers may feel confident that they will be Honored many more times and enjoy it every time."—Booklist About David Weber and the Honor Harrington series: ". . . everything you could want in a heroine....excellent...plenty of action."—Science Fiction Age "Brilliant! **Resolute Jack Campbell** 2022-06-28 Admiral John "Black Jack" Geary must battle dangers both within and without the Alliance, in this exciting continuation of the New York Times bestselling series. Geary knows that some political factions in the Alliance were just trying to get rid of him when he was assigned to escort a diplomatic and scientific mission to the far reaches of humanity's expansion into the galaxy . . . and beyond. But he views his mission as both a duty and an opportunity to make things better wherever he can. And when a crippled Rift Federation ship tumbles out of jump space, Geary leaps into action. But the survivors' story isn't completely adding up. As Geary investigates, he soon finds himself fending off spies and assassins while leading the fleet as it fights its way across space controlled by the mysterious and hostile aliens whom humans call enigmas. Challenges arrive at every turn, including an unknown alien species that invites the fleet to visit one of their star systems. With little information to go on, Geary must weigh the benefits of potential new allies against the possibility of a trap. The fate of the fleet—and perhaps even the future of humanity—will depend on him making the right decision. If he can stay alive long enough to do that.

**Ad Astra Jack Campbell** 2013-02-12 From the author of the New York Times–bestselling Lost Fleet series comes 11 action-packed stories of space exploration. In Jack Campbell's Lost Fleet series, Campbell's hero Captain "Black Jack" Geary explores the furthest reaches of space. Here, Campbell explores what kinds of problems mankind might face as our horizons expand. The third in a series of collections of Campbell's short stories includes some of Campbell's favorite stories, and some of his earliest. A brand-new author's note accompanies each story. "Lady Be Good" is one of Campbell's most popular stories, winner of Analog magazine's "AnLab" reader poll for Best Short Story and cited in Gardner Dozois's Year's Best SF. The Lady Be Good is an old ship, running obscure routes (not all on the right side of the law), with her loyal first officer Kilcannon and reclusive captain. When Kilcannon decides to rescue the survivors of an attack on a Vestral Company ship, a mysterious new passenger thanks him by asking difficult questions about the Lady, with unexpected answers. In "Kyrie Eleison," the Verio shipwrecked centuries ago on an out-of-the-way planet, and the descendants of the ship's survivors have gotten along as well as they can by following the orders that were passed on to them. But those orders weren't intended to govern life on the planet's surface, and when the Bellegrange arrives on a rescue mission, her captain will have to reckon with the unexpected social order on the planet. In "Do No Harm", a ship is so technologically advanced that it can repair itself—but turning over the keys might not be the best idea. And in "Down the Rabbit Hole," a series of failed attempts at faster-than-light travel lead to a novel approach: sending an untested Naval captain out in a space ship to see if he can figure out what's gone wrong. With eleven stories in all, Ad Astra is the most multi-faceted introduction to the short fiction of Jack Campbell, and an essential complement to his bestselling book-length work.

**Tarnished Knight Jack Campbell** 2013 After being betrayed by the Syndicate, Artur Drakon and Gwen Icení stage a coup for control of Midway in the first novel in a spin-off of the New York Times best-selling Lost Fleet series. 75,000 first printing.

**The Lost Fleet: Corsair #1 Jack Campbell** 2017-06-07 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} Jack Campbell, the author behind the Lost Fleet novels, is now bringing his best-selling sci-fi series to comics. The Lost Fleet: Corsair features all the engaging character elements that have helped make the Lost Fleet novels such an incredible success – but this time, the series' epic space battles are brought to stunning life thanks to incredible visuals from Andrew Siregar (Sevara), complimented by color work by Sebastian Cheng (Orphan Black, The X-Files). Imprisoned by the Syndics, Michael Geary's one chance lies in Destina Aragon – determined commander of a regiment of hardened soldiers now caught up in a wide scale rebellion within Syndic space. Seeking to escape both their prison and Syndic space, will Geary and Aragon join forces to get home – or will the hatreds stirred by a decades-old war kill them both?

**David and Goliath Malcolm Gladwell** 2013-10-01 Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success, motivation, and the role of adversity in shaping our lives, from the bestselling author of The Bomber Mafia. Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a stone and a sling, and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't have won. Or should he have? In David and Goliath, Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, or cope with a disability, or lose a parent, or attend a mediocre school, or suffer from any number of other apparent setbacks. Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago. From there, David and Goliath examines Northern Ireland's Troubles, the minds of cancer researchers and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms—all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity. In the tradition of Gladwell's previous bestsellers—The Tipping Point, Blink, Outliers and What the Dog Saw—David and Goliath draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us.

**Boundless Jack Campbell** 2021-06-15 Admiral John "Black Jack" Geary may have saved the Alliance only to destroy it, in this thrilling and eagerly awaited continuation of the New York Times bestselling series. Geary believed in the Alliance. Even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps, he believed it was worth saving. And that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the Alliance to crumble. But after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system, Geary realizes that some have decided the easiest way to make the Alliance's problems go away is to get rid of him. He finds himself ordered to undertake a perilous new mission outside of the reaches of human-occupied space while the Senate clashes over the evidence. Geary's warships must escort a diplomatic and scientific mission across the dangerous,

disintegrating remnants of the Syndicate Worlds empire. But even if he can make it to Midway Star System, the gateway to alien-controlled space, Geary will face former Syndicate officials who have rebelled and regard the Alliance with deep suspicion. And that will be the easy part. . . .

**The Lost Fleet** Jack Campbell 2011 Determined not to leave any of his people behind, Captain 'Black Jack' Geary orders the fleet to strike hard and fast to free the POWs held in a heavily guarded Syndic camp.

**Valiant Ambition** Nathaniel Philbrick 2017-05-09 A New York Times Bestseller Winner of the George Washington Prize A surprising account of the middle years of the American Revolution and the tragic relationship between George Washington and Benedict Arnold, from the New York Times bestselling author of *In The Heart of the Sea*, *Mayflower*, and *In the Hurricane's Eye*. "May be one of the greatest what-if books of the age—a volume that turns one of America's best-known narratives on its head."—Boston Globe "Clear and insightful, [Valiant Ambition] consolidates Philbrick's reputation as one of America's foremost practitioners of narrative nonfiction."—Wall Street Journal In the second book of his acclaimed American Revolution series, Nathaniel Philbrick turns to the tragic relationship between George Washington and Benedict Arnold. In September 1776, the vulnerable Continental army under an unsure George Washington evacuated New York after a devastating defeat by the British army. Three weeks later, one of his favorite generals, Benedict Arnold, miraculously succeeded in postponing the British naval advance down Lake Champlain that might have lost the war. As this book ends, four years later Washington has vanquished his demons, and Arnold has fled to the enemy. America was forced at last to realize that the real threat to its liberties might not come from without but from within. Complex, controversial, and dramatic, Valiant Ambition is a portrait of a people in crisis and the war that gave birth to a nation.

**How Firm a Foundation** David Weber 2012-07-31 Hiding secret agendas from their subjects throughout a terrible war in the Charisian Empire, the Emperor and his inner circle of advisors launch a desperate counter-attack against a corrupt Church of God Awaiting that is complicated by a discovery in the Church's Zion Temple.

**By Schism Rent Asunder** David Weber 2008-07-22 The sequel to the New York Times best seller *Off Armageddon Reef* The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin—a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same... in David Weber's *By Schism Rent Asunder*. Safehold Series 1. *Off Armageddon Reef* 2. *By Schism Rent Asunder* 3. *By Heresies Distressed* 4. *A Mighty Fortress* 5. *How Firm A Foundation* 6. *Midst Toil and Tribulation* 7. *Like A Mighty Army* 8. *Hell's Foundations* 9. *At the Sign of Triumph* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Dragons of Dorcastle** Jack Campbell 2015-04-03 Dematr is a world ruled by the diametrically opposed Mage and Mechanic Guilds. For centuries, the two Great Guilds have been bitter rivals. But now a Storm approaches, one that could sweep away everything that humans have built. Only one person has any chance of uniting enough of the world behind to stop the Storm. Mari is a brilliant young Mechanic, just out of the Guild Halls, where she has spent most of her life learning how to run the steam locomotives and other devices of her Guild. Alain is the youngest Mage ever to learn how to change the world he sees with the power of his mind. Each has been taught that the works of the other's Guild are frauds. But when their caravan is destroyed, they must join forces. Their union could save the world from the approaching Storm, but it could also upend the Great Guilds who will stop at nothing to preserve their power. Mari and Alain will have to choose between protecting their lives and their Guilds, or risking everything to protect Dematr from the coming Storm. **The Lost Fleet: Dauntless** 2006 Returning from survival hibernation and assuming the command of the Alliance fleet, legendary hero Captain John "Black Jack" Geary must retrieve the stolen Syndic hypernet key to save the Alliance from destruction at the hands of the Syndics. Original.

**Halo: The Rubicon Protocol** Kelly Gay 2022-08-09 An original novel set in the Halo universe—based on the New York Times bestselling video game series! A HALO INFINITE STORY December 2559. Humanity has its back against the wall after the United Nations Space Command flagship Infinity drops out of slipspace into a devastating ambush launched by the Banished. As this fierce enemy alliance seeks to claim a mysterious object hidden within the ancient Forerunner construct known as Zeta Halo, the surviving UNSC corps finds itself compromised and its leadership out of reach—with remaining personnel forced to abandon ship and take their chances on the fractured, unpredictable surface of the Halo ring. Now survival in this strange, alien environment—whether for Spartan super-soldiers or those who never thought they would see the battle up close—is measured day to day against a relentless and brutal adversary that always has the upper hand. Desperation grows, but the will to keep on fighting and enduring no matter the odds is never in doubt...even as the Banished seek to unleash a frightening new enemy that could doom them all...

**Vanguard** Jack Campbell (Naval officer) 2017 Jack Campbell returns to the world of the New York Times bestselling *Lost Fleet* novels with a new action-packed military science fiction series that explores the founding of the Alliance . . . and the men and women who fought to create it. Earth is no longer the center of the universe. After the invention of the faster-than-light jump drive, humanity is rapidly establishing new colonies. But the vast distances of space mean that the old order of protection and interstellar law offered by Earth has ceased to exist. When a nearby world attacks, the new colony

of Glenlyon turns to Robert Geary, a young former junior fleet officer, and Mele Darcy, a onetime enlisted Marine. With nothing but improvised weapons and a few volunteers, Geary and Darcy must face down warships and armored soldiers-- or die trying. As battles rage and pirates take an increasing toll throughout the colonies, the only hope for lasting peace lies with Carmen Ochoa, a "Red" from the anarchic world of Mars, and Lochan Nakamura, a failed politician. They have a plan: to lay the groundwork for mutual defense that could someday grow into an alliance. But if their efforts don't succeed, the growing power of aggressor worlds could turn regions of space founded on freedom into battlefields between the first interstellar empires...

Bloodstar Ian Douglas 2012-08-28 With his Heritage, Legacy, and Inheritance trilogies, New York Times bestselling author Ian Douglas established himself as one of the true masters of military sf—sharing center stage with such authors as Rick Shelley, John Ringo, David Sherman, and Dan Cragg in a wildly popular sub-genre of science fiction that includes such enduring classics as *The Forever War* by Joe Haldeman and Robert Heinlein's *Starship Troopers*. Now, with *Bloodstar*, Douglas kicks off his new series, *Star Corpsman*, with a bang, focusing on the elite units of recon Marines and S/R Corpsmen who infiltrate alien worlds ahead of major planetary invasions to gather intelligence on both the local environment and on the psychology and biology of the enemy. In *Bloodstar* Ian Douglas carries readers once more across the vast galaxy, light-years from Earth, and into the fire and terror of future war.

Beyond the Frontier Jack Campbell 2012 Awakened from a cryogenic sleep to win the century-long conflict between the Alliance and the Syndicate Worlds, Captain John "Black Jack" Geary discovers that his loyalty is being questioned and suspects that he is being deliberately sent on a suicide mission.

The Lost Fleet: Relentless 2009 After rescuing POWs from a labor camp in the Heradao Star System, Captain John "Black Jack" Geary discovers that the Syndics plan to ambush his fleet, forcing him to jump from one star system to the next in an effort to avoid the enemy.

Destroyer Joshua Dalzelle 2017-11-04 A relentless enemy... An old wolf's last hunt... The future of two species hanging in the balance... The Darshik war machine is flagging, but the war is far from over. Even as an exhausted Federation military tenses up for a counterattack after repelling the last Darshik invasion, reports are coming in of a new, more powerful class of ship that's striking deep into Terran space. Captain Jackson Wolfe has been given the fleet's newest, most advanced destroyer and tasked with eliminating this new threat before it can claim any more human lives. What he finds, however, is immeasurably more dangerous than just some new class of starship ... it's a horror that could lead to the destruction of both their species if it isn't stopped. *Destroyer* is the third book in the *Expansion Wars Trilogy* and part of the #1 bestselling *Black Fleet Saga*.

The Lost Fleet: Beyond the Frontier: Leviathan Jack Campbell 2015-05-05 "One of the best military science fiction series on the market," (Monsters and Critics) *The Lost Fleet* delivers thrilling combat on a grand space opera scale. Now, Admiral John "Black Jack" Geary embarks on a brand new mission—to defend the Alliance from itself—in New York Times bestselling author Jack Campbell's latest action-packed novel... Two Syndicate World star systems have fallen prey to a mysterious fleet of warships—a fleet controlled entirely by artificial intelligence—that is now targeting Alliance space. The warships are no mystery to Geary. They were developed by his government to ensure security, but malfunctioned. If the Syndics learn the truth, the war with the Alliance will resume with a vengeance. As the government attempts to conceal the existence of the A.I. warships—and its role in their creation—Geary pursues them, treading a fine line between mutiny and obedience. But it soon becomes clear that his fleet is no match for the firepower of the machine-piloted armada. With the help of the Dancer species of aliens, Geary has tracked the A.I. ships to their secret base in the supposedly mythical Unity Alternate star system where his fleet, the last hope of the Alliance's future, will end the conflict at any cost...

The Lost Fleet: Fearless 2007

The Lost Fleet: Beyond the Frontier: Guardian Jack Campbell 2013-05-07 Admiral Geary's First Fleet of the Alliance has survived the journey deep into unexplored interstellar space, a voyage that led to the discovery of new alien species, including a new enemy and a possible ally. Now Geary's mission is to ensure the safety of the Midway Star System, which has revolted against the Syndicate Worlds empire—an empire that is on the brink of collapse. To complicate matters further, Geary also needs to return safely to Alliance space not only with representatives of the Dancers, an alien species, but also with *Invincible*, a captured warship that could possibly be the most valuable object in human history. Despite the peace treaty that Geary must adhere to at all costs, the Syndicate Worlds regime threatens to make the fleet's journey back grueling and perilous. And even if Geary escorts *Invincible* and the Dancers' representatives home unharmed, the Syndics' attempts to spread dissent and political unrest may have already sown the seeds of the Alliance's destruction...

The Lost Fleet: Relentless Jack Campbell 2009-04-28 Captain John "Black Jack" Geary races to save a group of Alliance POWs from certain death in this gripping novel in New York Times bestselling author Jack Campbell's *Lost Fleet* series. Alliance prisoners of war are being held at a labor camp in the Heradao star system, which also happens to be the location of the majority of the surviving Syndic warships. Determined not to leave any of his people behind, "Black Jack" Geary orders the fleet to strike hard and fast to rescue the POWs with minimal Alliance losses. The raid is successful, but victory is short-lived. Geary discovers that the Syndics plan to ambush the fleet with their powerful reserve flotilla in an attempt to annihilate it once and for all—but he doesn't know where the enemy is located. And as Geary has the fleet jump from one star system to the next, hoping to avoid the inevitable confrontation, saboteurs contribute to the chaos...

The Lost Stars: Shattered Spear Jack Campbell 2017-03-28 -The New York Times bestselling author of *The Lost Fleet* series returns to the -strong saga-\* of a rebellion against a totalitarian regime, and the determination of two people to

create a better future in the farthest reaches of the colonized galaxy... The Syndicate Worlds continues to splinter as more star systems pledge allegiance to President Gwen Icení, General Artur Drakon, and the new government they're establishing at Midway. But the toxic legacy of Syndicate rule undermines their efforts as the rebels encounter difficulty trusting one another and believing their new leaders' promises of freedom from tyranny. Before Icení and Drakon can put their house in order, they must deal with another threat. An enigma warship has appeared and vanished near a Syndic colony. If the aliens are capable of jumping into other human-occupied star systems, then billions of people could be vulnerable to a hostile invasion fleet anywhere it chooses to strike. But an even greater liability lies with Icení and Drakon as a once-trusted adviser turned saboteur plans revenge.---

Distant Thunders Taylor Anderson 2010-06-01 The skies explode in this thrilling alternate history novel in Taylor Anderson's New York Times bestselling Destroyermen series. After the terrible battle between the men of the destroyer USS Walker and their Lemurian allies against the savage Grik, Lieutenant Commander Matthew Reddy is shocked by the arrival of a strange ship captained by Commodore Jenks of the New Britain Imperial Navy—an island-nation populated by the descendants of British East Indiamen swept through the rift centuries before. With the Walker undergoing much-needed repairs, Reddy knows the Grik have only been fended off, not defeated, and he will need all hands on deck to fight them off when they next attack—but Jenks' loyalties seem uncertain. As tension between the Allies and the Imperials mount, Reddy will come to realize that his suspicions are not misplaced—and that a greater danger than the Grik is about to be revealed...

How Churchill Waged War Allen Packwood 2018-10-30 An analytical investigation into Prime Minister Winston Churchill's decision-making process during every stage of World War II. When Winston Churchill accepted the position of Prime Minister in May 1940, he insisted on also becoming Minister of Defence. This, though, meant that he alone would be responsible for the success or failure of Britain's war effort. It also meant that he would be faced with many monumental challenges and utterly crucial decisions upon which the fate of Britain and the free world rested. With the limited resources available to the UK, Churchill had to pinpoint where his country's priorities lay. He had to respond to the collapse of France, decide if Britain should adopt a defensive or offensive strategy, choose if Egypt and the war in North Africa should take precedence over Singapore and the UK's empire in the East, determine how much support to give the Soviet Union, and how much power to give the United States in controlling the direction of the war. In this insightful investigation into Churchill's conduct during the Second World War, Allen Packwood, BA, MPhil (Cantab), FRHistS, the Director of the Churchill Archives Centre, enables the reader to share the agonies and uncertainties faced by Churchill at each crucial stage of the war. How Churchill responded to each challenge is analyzed in great detail and the conclusions Packwood draws are as uncompromising as those made by Britain's wartime leader as he negotiated his country through its darkest days.

Steadfast Jack Campbell (Naval officer) 2015-04-28 New York Times bestselling author Jack Campbell continues his "series of fast-paced adventure" (SFRevu) as *The Lost Fleet: Beyond the Frontier* continues... Admiral John "Black Jack" Geary and the crew of *Dauntless* have safely escorted important alien representatives to Earth. But before they can depart for home, two of Geary's key lieutenants vanish. The search for his missing men leads Geary on a far-flung chase, ultimately ending at the one spot in space from which all humans have been banned: the moon Europa. Any ship that lands there must stay or be destroyed—leaving Geary to face the most profound moral dilemma of his life. To make matters worse, strains on the Alliance are growing as the Syndics continue to meddle. Geary is ordered to take a small force to the border of Syndic space. But what he finds there is a danger much greater than anyone expected: a mysterious threat that could finally force the Alliance to its knees?

Triumphant Jack Campbell 2019-05-21 A young fleet officer and a Marine must stand together to defend their neighbors and their colony in this return to the powerful and action-packed *Genesis Fleet* saga from New York Times bestselling author Jack Campbell. The recently colonized world of Glenlyon has learned that they're stronger when they stand with other star systems than they are on their own. But after helping their neighbor Kosatka against an invasion, Glenlyon has become a target. The aggressive star systems plan to neutralize Glenlyon before striking again. An attack is launched against Glenlyon's orbital facility with forces too powerful for fleet officer Rob Geary to counter using their sole remaining destroyer, *Saber*. Mele Darcy's Marines must repel repeated assaults while their hacker tries to get into the enemy systems to give *Saber* a fighting chance. To survive, Glenlyon needs more firepower, and the only source for that is their neighbor Kosatka or other star systems that have so far remained neutral. But Kosatka is still battling the remnants of the invasion forces on its own world, and if it sends its only remaining warship to help will be left undefended against another invasion. While Carmen Ochoa fights for the freedom of Kosatka, Lochan Nakamura must survive assassins as he tries to convince other worlds to join a seemingly hopeless struggle. As star systems founded by people seeking freedom and autonomy, will Kosatka, Glenlyon and others be able to overcome deep suspicions of surrendering any authority to others? Will the free star systems stand together in a new Alliance, or fall alone?

The Lost Fleet: Beyond the Frontier: Dreadnaught Jack Campbell 2011-04-26 View our feature on Jack Campbell's *The Lost Fleet: Beyond the Frontier: Dreadnaught*. The New York Times bestselling series that delivers "edge-of-your-seat combat" (Elizabeth Moon, author of the *Vatta's War* series). The Alliance woke Captain John "Black Jack" Geary from

cryogenic sleep to take command of the fleet in the century-long conflict against the Syndicate Worlds. Now Fleet Admiral Geary's victory has earned him the adoration of the people-and the enmity of politicians convinced that a living hero can be a very inconvenient thing. Geary knows that members of the military high command and the government question his loyalty to the Alliance and fear his staging a coup-so he can't help but wonder if the newly christened First Fleet is being deliberately sent to the far side of space on a suicide mission.

The Lost Fleet: Beyond the Frontier: Leviathan Jack Campbell 2016-04-26 "Two Syndicate Worlds star systems have fallen prey to a mysterious fleet of warships, a fleet controlled entirely by artificial intelligence that is now targeting Alliance space.
